

Fractions of shapes

Color one third ($\frac{1}{3}$).

Is it $\frac{1}{3}$? Write yes or no.

no

yes

Fractions of shapes

Color one third ($\frac{1}{3}$).

Is it $\frac{1}{3}$? Write yes or no.

no

yes

no

no

yes

yes

Explain why some of the pictures in the second section do not show one third, even though each shape is cut into three pieces.
(The pieces are not all of equal size.)
